Name on the card: _____ Type (Visa, MC, Discover): _____

Amount to be charged: \$ _____ Signature: _____

MAIL (application and fee) TO: DIG, c/o Marc Sherby P.O. Box 242 Devon, PA 19333

The **deadline** for registration through DIG is **October 31, 2010**, and the sign-up process must be completed with the oil vendor within 10 business days of their contacting you. Failure to abide by these timelines could result in the loss of the oil program discount. Incomplete applications or applications without application fees will not be processed. Applications that are illegible or that lack current and valid contact information will also not be processed. Early cancellation of service with the oil vendor will result in a termination fee. This will be a flex price program with automatic delivery, and will be subject to applicant passing a credit screening through the vendor before being accepted. DIG is not liable for vendor's decisions and service. Further details are available at www.digonline.org. Vendor will contact all new accounts. Your cancelled check or credit card transaction is proof of the receipt of your application. **Registration fees are non-refundable.** For questions or updates, go on-line to www.digonline.org or email benefits@digonline.org.

DISCOUNT OIL PROGRAM 2010-2011

It's that time of year once again to sign up for DIG's annual Discount Oil Program. DIG has been offering the Discount Oil Program for several years as a way for our members who use fuel oil to save money by virtue of DIG's volume negotiated pricing. This volume allows DIG to negotiate better pricing than would normally be obtainable on an individual basis.

There will be several changes to the oil program for 2010-11.

Previously DIG has had several pricing levels for the oil program. There was the locked in price, the flex price, and the pre-pay. Due to the recent volatility in the oil market and to streamline the program we have decided to do away with the locked in and the pre-pay pricing, and offer flex pricing only. While the idea of locked in pricing was good when prices were somewhat stable, in the last several years with the dramatic rise and fall of oil prices many folks who locked in a price suddenly got clobbered when the bottom fell out of the oil market and prices plummeted. So rather than try to predict what the oil market will do we have decided that this year we will play it safe and go with the flex program. What this means is that DIG's price for oil will float with the market price of oil. You will purchase your oil at the wholesale price at the port of entry on that day plus a fixed margin of 45¢ per gallon. That represents a savings of approximately 10¢ - 25¢ per gallon below the average retail margin of 75¢. Your savings will vary based on oil inventories on hand at that time.

In years past the oil program was made available to non-DIG members. However since the oil program is technically a benefit of DIG membership, we have decided that to take advantage of the oil program you must be a DIG member.

There will be two vendors for oil this year: F.C. Haab and Reit. They will cover the counties of **Montgomery, Bucks, Chester, Delaware, and Philadelphia**. We're sorry but we are not able to offer service to Berks County, New Jersey or Delaware.

DO NOT PROCRASTINATE! The deadline for signing up for the discount oil program is **October 31, 2010**. **We must have your registration in by that date.** All registration **MUST** be done either on-line or by mail only. If you have a question e-mail benefits@digonline.org and be sure to put "oil program" in the subject line of your e-mail.

So why should you sign up for the DIG oil program today?

- Better Service! F.C Haab and Reit are **full service** heating oil companies. That means they are available 24/7 to handle all of your needs and your emergencies too.
- Service Plans! Both Haab and Reit offer **Piece of Mind Plans** as low as \$19.50 per month for an oil plan! Remember there is **NO EXTRA CHARGE** for emergency service calls **NO MATTER WHEN YOU CALL** if you have an oil service plan. There are air conditioning service plans available too! Check them out on the website!
- Loyalty Credits! Earn credit towards new equipment for each year you purchase a service plan.
- Better Pricing! The best prices on oil compared to other **Full Service** oil companies.

Don't be one of those who fail to take advantage of the savings
