

APARTMENT ASSOCIATION OUTREACH SCHOOL BACKPACK DRIVE 2008

We have purchased and are currently receiving shipments of backpack school materials for this year. We will be assembling backpacks at ServPro Northwest and shortly will be delivering these to needy children in grades K-8.

If you would like to be a member of the backpack assembly and distribution team for 2008, please contact Betty Bohlinger at FOR RENT Magazine (469-8818) or Mark Franks at the GCNKA office.

APARTMENT ASSOCIATION OUTREACH CANNED FOOD DRIVE MAY-JUNE, 2008

Purchased food was recently distributed to four pantries in the southeast area of Greater Cincinnati. In addition, VILLAGE GREEN'S Stonegate Apartments and CMC PROPERTIES' Brandy Chase Apartments collected food from resident donations. Bags were placed on each resident's door with a letter from Outreach. Filled bags were then returned to the doorsteps for pickup. It was that easy! Donations were made to the SEM Food Pantry in Mt. Washington. The pantry was extremely grateful for our help!
