

# APARTMENT ASSOCIATION OUTREACH CANNED FOOD DRIVE DECEMBER 2008

Fox Chase North, a Hills Property Management community, raised 230 pounds of food which was donated to The Mt. Washington S.E.M. Food Pantry.

The Four Towers communities, Cornerstone Realty Corp., raised nearly 900 pounds of food! This was donated entirely to the Anderson Ferry Food Pantry which serves over 1200 families monthly in the Delhi area.

Our last purchased food delivery was made to the St. Elizabeth SVDP Food Pantry in Milford. We are already beginning to purchase food for deliveries in 2009. Once again, ServPro Northwest is joining our pantry effort by storing purchased food for our periodic deliveries. Thanks to everyone for the outstanding support of this program!

Special assistance of food and gift cards were given also to a former CORT Furniture Household Giveaway recipient.

# CORT FURNITURE HOUSEHOLD GIVEAWAY DECEMBER 11, 2008

The CORT Furniture Annual Giveaway to a needy family was another wonderful day in the lives of many, not only for the receiving family but also for the many Apartment Association members who came to help.

Our many thanks to the Associate Council and Association members who volunteered to further assist the recipient family with Christmas gifts for them and their home.
